problem

trust & access to services

year 2020
282 mln
migrants worldwide

year 2030
THE GLOBAL GOALS
For Sustainable Development

year 2050
+1 bln
migrants worldwide

migrants lack of evidences, including

*Identity
& status*

*Languages
mastery*

*Skills-set &
background*

*Work
experiences*

*Credit
history*

*Lifetime
value*

leads to lack of trust and services, including

*Legal
support*

*Info and
training*

*Higher
Education*

*Career
placement*

*Access
to credit*

*Remittance
services*

*Access to
housing*

*Mobility and
relocation*

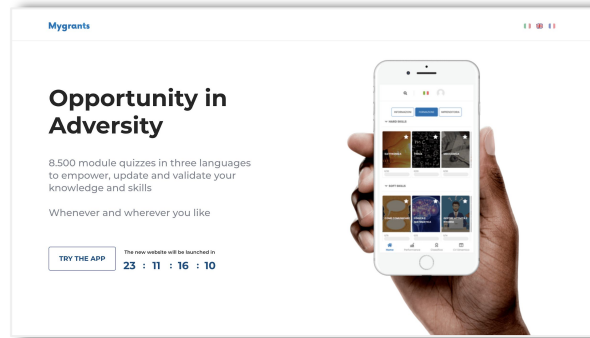

**and
many
others!**

migrants represent 3,5% of world's population and generate +10% of GDP
